ISSUE	Response	Status
Some street lights are out because they're being removed. These should be marked with paint, rather than tape to identify them from inoperative ones. (DPW)	80 Percent of Lights have been removed. Remaining will be removed within next month. Poles will not be marked with paint so we can reuse them. Instead they will be identified with non-permanent markings	Open
Signs should be placed in playgrounds informing public that pets are not permitted. Signs should specify service animals are exempt and have number to contact animal control for enforcement (DES/DPW)	DPW will have signs in place by 30 June 2010.	Open
Traffic light at Mapes & Taylor should operate regularly, not flashing. Visibility is limited travelling north on Taylor. (DPW/DES)	Light has been changed.	Closed
People can enter post without decals or showing ID cards.(DPTMS/DES)	Strict enforcement of policies are being conducted at gates.	Closed

ISSUE	Response	Status
Can Picerne notify neighborhoods about upcoming community council meetings to ensure more complete attendance? (RCI/Picerne)	More complete attendance is not the goal. Of Community Council meetings. Intent is to have representatives of groups attend, rather than entire general public. We have invited Picerne representatives to the May 27 meeting who will be able to pass information from meetings to residents through newsletters.	Closed
Gate areas are unsightly. Is there money to improve them to make a better impression for those entering post?(PAO)	No money available. PAO developing plan to allow groups to volunteer to improve areas. We'll have details at next CC meeting. Interested groups contact PA.	Open
Sponsor must be available for family members to renew ID cards. Can be difficult for deployed members or those who work in other states?(DHR/PAO)	DHR says procedures exist to confirm sponsor's information at another ID office and fax confirmation. Families can have POA's. PAO will prepare publicity to let people know procedures.	Closed
Can we extend hours at the Mapes/32 gate to 2130 hours?(DES)	GC reviewed. Cannot implement due to staffing and funding.	Closed

Post library retains ID cards while customers use computers. Some user have concerns about privacy. (DFMWR)	The library has converted to a commercial internet provider. Patrons are no longer required to leave ID cards at the front desk.	Closed
Smoking around pubic buildings can be a health hazard for patrons of the buildings and their children. Policy is no smoking within 50 feet of buildings	People observing this should explain policy to smokers. If not resolved, raise issue to employee of facility, manager of facility and, if it continues, then to installation commander.	Closed
The two lane entrance and exit into the PX are in need of repainted lanes and turn arrows. (DPW)	DPW has repainted the lane lines and turn arrows.	Closed
Provide child care during the Blood Drive. (DFMWR, DHR)	DFMWR will reserve hourly slots at CDC I for upcoming blood drives, starting with the next one June 1. Instructions on how parents can use them will be included in the publicity for the drive.	Closed

DFMWR is drafting a policy to address the length of time an RV, camper or boat can remain in the lemon lot pending sale? (This is a free parking method for some and the oversized vehicles hinder lane visibility.) (DFMWR/DES)	BOSS is working with DES to finalize new registration document for lemon lot. Once approved, failure to display registration can result in ticketing and towing. Task due closed on 30 June.	Open
